c) Parish Councillors' Reports

Cllr Smith had held two speed watch sessions with 13 vehicles reported. He'd also received a report of an overgrown footpath bridleway and had two new volunteers to help deliver The Messenger. A reply from Safer Essex Roads Partnership had explained that speed camera signs were no longer placed and those currently in place were historic and had not been removed.

Cllr Lord had reported fly tipping on Honeypot Lane which had been cleared by TDC.

Cllr Hardy reported that the hedge on Harwich Road needed cutting. The Maintenance team undertook to cut enough so that vision was restored.

12. **National Grid consultation**

Members, along with a member of Little Bromley Parish Council and a Little Bromley resident, discussed the proposals and the extension to the consultation. It was reported that a group had been created - POWER – People Opposing Widespread Electrical Ruin – to raise awareness of the extent of the proposals. It was agreed that Great Bromley Parish Council was against the proposals and would create some banners to display at points cross the village. Cllr Fairley volunteered to join the POWER group as a representative of Great Bromley Parish Council. It was further agreed that the cover of the July Messenger would be used as a way of bringing the issue to the village's attention, and the first few pages also used for more details on how to respond to the consultation. Several other ideas were suggested to the POWER group on how to fight the proposals.

13. **Church Meadow play area**

Members considered the cost of extending the fence line and agreed to close the gap between the fence and the hedge at a cost of £148+VAT. It was further agreed to place a 'No ball games' sign.
